

# Call to Extreme Prayer

Pause to Pray Every Day at 8 p.m.

- **God, please intervene and heal our land and all the lands where this virus is passing.**
- **God, please help researchers develop a vaccine.**
- **God, please help doctors develop treatments.**
- **God, please empower the idea of social distancing to prevent the spread of the disease and slow the rate of infection so that our medical systems won't be overwhelmed.**
- **God, please give our governments and healthcare industries the power to provide the tests we need.**
- **God, please protect our healthcare workers worldwide!**
- **God, please inspire believers to set the example of selfless courage during this pandemic.**
- **God, please repair the economic damage and help workers and business owners overcome their loss of income.**
- **God, please help churches overcome spiritual and economic impacts that befall them because they are not able to meet.**
- **God, please remove the infection from vulnerable countries that lack adequate medical care.**
- **God, please remove this virus from the whole earth.**
